

## PCCSC Scheduling Procedure Proposal

The schedule selection deadline is the Tuesday prior to Thanksgiving and decisions will be announced by the first Saturday in December. Selections must be made for the entire following year (ie 2011 spring and fall events will be scheduled in fall of 2010).

The scheduling order shall be determined by the results from the Spring PCCSC Championships and the fall PCCSC Championships. Should there be a tie it shall be broken with the final results of the fall PCCSC Championships. All sloop events will be determined via resume reviewed by the Intersectional Coordinator, Conference Commissioner, Executive Vice President and two dis-interested Executive Committee Members.

Each team shall receive 1 berth if so requested in the first round of scheduling before any team receives a second berth. Any and all questions regarding berths should be directed to the Intersectional Coordinator.

### Major's

Events can be adjusted according to the following schedule:

Withdraws from an Intersectional Regatta, Conference Elimination, or Conference Championship must be made on or before 1900hrs the Friday 2 weeks in advance in order to avoid a No Show. However, there is a one-month withdraw deadline for the following regattas: Timme Angsten, Sugar Bowl(s), Rose Bowl, Nelson Roltsch.

Failure to do so will result in the immediate forfeiture of said team's intersectional deposit. The team must replenish the intersectional deposit prior to competition in any major events.

### Minor's

For all Conference Minor's (Frosh/Soph, Fall Team Race, etc and JV divisions at regattas) teams may add/drop until 1900hrs the Monday prior to the event. Failure to do so will result in the forfeiture of half of said team's intersectional deposit at the end of the season.

Host Schools may cancel a regatta no later than 1900hrs the Wednesday prior to the scheduled event provided that no team has made plane reservations.

#### Fall Majors

Singlehanded PCC's  
Sloop South Eliminations  
Sloop North Eliminations  
Sloop PCC's
