New Business:

1. Attendances at Singlehanded Championship & Bryson Women's – What caused attendances to be low this year and how can we prevent that in the future.
 - Balance location of events so they are half in the north, half in the south
 - Move both events later in the season, nothing should be earlier than Fall Weekend #5 and if possible combine the events to encourage participation of women's teams.
 - Make sure Singlehanded Championships does not overlap with the high school singlehanded championship to increase availability of boats, also contact local laser fleet captain to assist with locating charter boats.
 - Request permission from ICSA to remove the Bryson Women's from intersectional status
2. Spring 2012 Championship Venues/Hosts
 - Team Race Conference Championship April 14-15 @ Stanford
 - Women's Conference Championships April 7-8 @ UH if majority agree, otherwise CAL or USC
 - Coed Dinghy Conference Championship April 28-29 @ UCSB, USC is backup venue
3. Spring 2012 Calendar Changes/Updates
 - Rainbow Invitational will have 2 Japanese Teams, 8 berths available for PCCSC/other teams.
 - North and South areas to set their own series events and notify Danielle by Fall PCC's.
 - PCCSC AGM at St. Francis YC February 4, 2011
4. Jesse Andrews was named interim Executive Vice President.
