

Proposal for PCCSC Awards
12/16/08

Proposal: Create a PCCSC awards committee, which will each week discuss through Email and or phone who the award winners are each week based on the previous weekends results. The Committee should consists of a North Rep, a South Rep and the PCCSC All American Rep. Each Wednesday the Committee shall post the awards from the previous weekend to the PCCSC list and it shall be archived on the website.

Why: This is a great way to recognize our athletes and will give some excitement from week to week. This is also a great way for teams to get recognition from their Athletic or Club department. These awards already exist in College sports this will be easy for our schools to understand.

Weekly Awards:

1. Women's Sailor of the Week: Top female PCCSC sailor from any regatta in PCCSC or ICSA as voted on by the Committee.
2. Coed Sailor of the Week: Top Coed PCCSC Performer from any regatta in the PCCSC and ICSA as voted on by the Committee.
3. Team of the Week: Top Team Race Team, Spring only, from any Team Race regatta in the PCCSC or ICSA.

Yearly Awards:

4. Up and Coming Team of the Season: To highlight a PCCSC team who has shown significant improvement on the racecourse as voted on by the committee. Awarded both Fall and Spring Season.
5. Coach of the Year: Must be nominated by a PCCSC member either by a graduate or undergraduate. Voted on by the Committee.
